Note:

1. All pricing excludes GST
2. Except for set-up costs, all items listed are optional.
3. All pricing is indicative as at the date shown. Final pricing is negotiated with each client depending on final needs and configuration.
4. Pricing is reviewed annually in June / July.
5. Set up costs are payable only on completion of the trial period. No set up fees are payable if use is discontinued before the end of the trial period.
6. Ownership of all client data rests with the client; ownership of all Foxtrot IP including meta-data rests with Stepsoft.
7. Data migration is provided as an add-on service should it be requested. A separate quote based on Stepsoft standard hourly rates is provided for this after examination of existing systems, structures and data quality.
8. Additional enhancement and other requests are quoted on individually and implemented on approval of quote.
9. A 'user' is any person with login access to the Foxtrot system. OZone (Online Portal for Members/Staff/Clients) access has no user limit.
10. Online payment services require a separate agreement with Securepay for the provision of e-Commerce services. Transaction Fees apply.
11. SMS transactions directly from Foxtrot requires a separate agreement with IntelliSMS. Transaction Fees apply.
